FINANCIAL REPORT

WITH SUPPLEMENTAL INFORMATION

PREPARED IN ACCORDANCE WITH GASB 34

June 30, 2005

Auditing Procedures Report

Issued under P.A. 2 of 1968, as amended.

Local Government Type <input type="checkbox"/> City <input type="checkbox"/> Township <input type="checkbox"/> Village <input checked="" type="checkbox"/> Other		Local Government Name LENOX TOWNSHIP LIBRARY	County MACOMB
Audit Date 6/30/05	Opinion Date 8/30/05	Date Accountant Report Submitted to State: 9/23/05	

We have audited the financial statements of this local unit of government and rendered an opinion on financial statements prepared in accordance with the Statements of the Governmental Accounting Standards Board (GASB) and the *Uniform Reporting Format for Financial Statements for Counties and Local Units of Government in Michigan* by the Michigan Department of Treasury.

We affirm that:

1. We have complied with the *Bulletin for the Audits of Local Units of Government in Michigan* as revised.
2. We are certified public accountants registered to practice in Michigan.

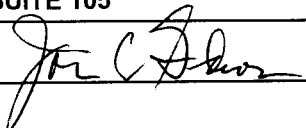

We further affirm the following. "Yes" responses have been disclosed in the financial statements, including the notes, or in the report of comments and recommendations

You must check the applicable box for each item below.

- ☐ Yes ☒ No 1. Certain component units/funds/agencies of the local unit are excluded from the financial statements.
- ☐ Yes ☒ No 2. There are accumulated deficits in one or more of this unit's unreserved fund balances/retained earnings (P.A. 275 of 1980).
- ☒ Yes ☐ No 3. There are instances of non-compliance with the Uniform Accounting and Budgeting Act (P.A. 2 of 1968, as amended).
- ☐ Yes ☒ No 4. The local unit has violated the conditions of either an order issued under the Municipal Finance Act or its requirements, or an order issued under the Emergency Municipal Loan Act.
- ☐ Yes ☒ No 5. The local unit holds deposits/investments which do not comply with statutory requirements. (P.A. 20 of 1943, as amended [MCL 129.91], or P.A. 55 of 1982, as amended [MCL 38.1132]).
- ☐ Yes ☒ No 6. The local unit has been delinquent in distributing tax revenues that were collected for another taxing unit.
- ☐ Yes ☒ No 7. The local unit has violated the Constitutional requirement (Article 9, Section 24) to fund current year earned pension benefits (normal costs) in the current year. If the plan is more than 100% funded and the overfunding credits are more than the normal cost requirement, no contributions are due (paid during the year).
- ☐ Yes ☒ No 8. The local unit uses credit cards and has not adopted an applicable policy as required by P.A. 266 of 1995 (MCL 129.241).
- ☐ Yes ☒ No 9. The local unit has not adopted an investment policy as required by P.A. 196 of 1997 (MCL 129.95).

INDEPENDENT AUDITOR'S REPORT

August 30, 2005

Board of Trustees
Lenox Township Library
New Haven, Michigan

Honorable Members:

We have audited the accompanying financial statements of the Lenox Township Library, a component unit of Lenox Township, as of June 30, 2005, and for the year then ended. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note I A, the financial statements present only the Lenox Township Library and are not intended to present fairly the financial position and changes in financial position for the year then ended of Lenox Township, County of Macomb, Michigan, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Lenox Township Library as of June 30, 2005, and the changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

BUSS & COMPANY, P.C.

Page 2

The management's discussion and analysis on pages 3 through 4 and budgetary comparison information on page 15, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Respectfully,

BUSS & COMPANY, P.C.

MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2005

Using this Annual Report

This annual report consists of three parts - *Management's discussion and analysis* (this section), the *basic financial statements*, and *required supplemental information*. The basic financial statements include information that presents two different views of the Library:

- The *government-wide financial statements* provide both *long-term* and *short-term* information about the Library's *overall* financial status. The statement of net assets and the statement of activities provide information about the activities of the Library as a whole and present a longer-term view of the Library's finances. These statements tell how these services were financed in the short term as well as what remains for future spending.
- The governmental fund financial statements include information on the Library under the modified accrual method. These *Fund Financial Statements* focus on current financial resources and provide a more detailed view about the accountability of the Library's sources and uses of funds.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of *required supplemental information* that further explains and supports the information in the financial statements.

Condensed Financial Information

The table below provides key financial information in a condensed format for the current year and prior year.

	<u>2005</u>	<u>2004</u>
Current assets	\$535,587	\$415,145
Capital assets	<u>182,323</u>	<u>184,516</u>
Total Assets	<u>\$717,910</u>	<u>\$599,661</u>
Other liabilities	<u>\$ 9,019</u>	<u>\$ 9,203</u>
Total Liabilities	<u>\$ 9,019</u>	<u>\$ 9,203</u>
Net Assets:		
Invested in capital assets, net of related debt	\$182,323	\$184,516
Unrestricted	<u>526,568</u>	<u>405,942</u>
Total Net Assets	<u>\$708,891</u>	<u>\$590,458</u>
Revenue:

LENOX TOWNSHIP LIBRARY
New Haven, Michigan
MANAGEMENT'S DISCUSSION AND ANALYSIS, CONTINUED
June 30, 2005

The Library as a Whole

- The Library's net assets increased by \$118,433 this year. The primary reason for the increase is the continued growth of the Library's property tax base, which increased 10.6% from the prior year.
- The Library's primary source of revenue is from property taxes, which represents 89% of total revenue.
- Total expenses were 64% of total revenue for the year. Salaries amount to approximately 50% of total expenditures. Benefits amount to 11.5% of total expenditures.

The Library's Fund

Our analysis of the Library's fund is included on pages 7 and 9. The Library Board has the ability to create separate funds to help manage money for specific purposes, and to maintain accountability for certain activities, such as special property tax millages. All of the Library's activities are reported in a single fund.

The fund balance of the Library increased during the current year by \$120,626. The increase exceeded the budgeted increase of \$ -0- by \$120,626. Revenues exceeded budgeted amounts by \$31,342 due primarily to property taxes increasing more than expected and an increase in interest rates. Budgeted expenditures exceeded actual expenditures by \$89,284 due primarily to salaries and fringes not increasing as much as expected as well as expenditures for capital outlay being less than planned.

Library Budgetary Highlights

Over the course of the year, the Library Board amended the budget to take into account events that occurred during the year. The amendments made during the year simply reallocated certain budgeted expenses; there were no changes to total revenues or expenditures.

Capital Assets

At the end of the fiscal year, the Library had \$325,895 invested in buildings and improvements, furniture and fixtures, equipment, and books and materials. The Library added \$22,849 in new collection items consisting of new books, various audio/visual materials and computer equipment and shelving.

Economic Factors and Considerations for Next Year

The Library's tax base continues to increase with the growth of the Township. We, however, need to continue to watch our budget very closely. Expenditures that will be especially important in the coming year include health insurance benefits which have shown significant increases in the last few years and employee compensation, because it is such a significant portion of the Library's operating expenses.

Contacting the Library's Management

This financial report is intended to provide our citizens, taxpayers, customers and investors with a general overview of the Library's finances and to show the Library's accountability for the money it receives. If you have questions about this report or need additional information, we welcome you to contact the Library Director, at 58976 Main Street, New Haven, Michigan 48048.

LENOX TOWNSHIP LIBRARY
New Haven, Michigan
NOTES TO FINANCIAL STATEMENTS
June 30, 2005

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of Lenox Township Library (the "Library") conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of the significant accounting policies:

A. GOVERNMENTAL REPORTING ENTITY

The Library is located in Lenox Township, Michigan and is governed by an independent six-member board. The Library was formed under P.A. 164 of 1877 and remains a fund of the Township. The accompanying financial statements have been prepared in accordance with criteria established by the Governmental Accounting Standards Board and include only the results of operations of the Library.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The government-wide financial statements (i.e., the statement of net assets and the statement of activities) are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The statement of net assets includes and recognizes all long-term assets and receivables as well as long-term debt and obligations. The Library's net assets are reported in two parts - invested in capital assets, net of related debt; and unrestricted net assets.

The statement of activities demonstrates the degree to which the direct expense of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenue includes (1) charges to library patrons who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meet the operational or capital requirements of a particular function or segment. Taxes and other items are not properly included among program revenues, and are reported instead as general revenue.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized as soon as it is both measurable and available. Revenue is considered to be available if it is collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Library considers revenue to be available if it is collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes and interest associated with the current fiscal period are considered to be susceptible to accrual and have been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Library.

The Library reports all of its activities in a single fund on the modified accrual basis.

(Continued)

LENOX TOWNSHIP LIBRARY
New Haven, Michigan
NOTES TO FINANCIAL STATEMENTS, CONTINUED
June 30, 2005

C. ASSETS, LIABILITIES AND FUND EQUITY

Cash and Investments - The Library has defined cash and cash equivalents to include cash on hand and demand deposits.

The Library is authorized by state statute to invest surplus funds in bonds or other direct obligations of the United States, certificates of deposits, certain commercial paper, U.S. Government repurchase agreements, bankers acceptances, mutual funds and investment pools that are invested in authorized investment vehicles. The deposits of the Library are in accordance with statutory authority.

Receivables and Payables - Property taxes receivable represent uncollected property taxes levied on December 1, 2004.

Lenox Township property tax is levied on each December 1st on the taxable value of property (as defined by state statutes) located in the Township. Taxes are considered delinquent on March 1 of the following year, at which time penalties and interest are assessed.

The 2004 taxable valuation of the Township totals approximately \$224.5 million, on which ad valorem taxes levied consisted of 1.3064 mills for Library operations, raising \$293,309 for Library operating purposes. The amount uncollected at June 30, 2005 is recognized in the financial statements as taxes receivable with an offsetting credit to deferred revenue. Taxes receivable has been reduced for amounts received during the year.

Capital Assets - Capital assets are defined by the Library as assets with an initial cost of more than \$2,000 and an estimated useful life in excess of one year. Due to the significance of the Library's annual acquisition of Library books and materials and the shelf life on most materials extended beyond one year, annual acquisitions of books and materials are treated as capitalized assets in order to spread their cost over their estimated useful life. Donated assets are reported at estimated fair market value at the date of donation. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	40 years
Furniture and equipment	7 years
Improvements	15 years
Library books and materials	7 years

Fund Equity - In the fund financial statements, governmental funds report reservations of fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Designation of fund balance represents tentative management plans that are subjective to change. At June 30, 2005, there is no reservation or designation of fund balance.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

(Continued)

LENOX TOWNSHIP LIBRARY
 New Haven, Michigan
 NOTES TO FINANCIAL STATEMENTS, CONTINUED
 June 30, 2005

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

BUDGETS

An annual operating budget on the modified accrual basis of accounting consistent with generally accepted accounting principles is formally adopted for the Library. The budget can be amended by approval of the majority of the Board of Trustees. Amendments are presented to the Board at their regular meetings. All annual appropriations lapse at fiscal year end.

The budget has been adopted on a line item basis; expenditures at this level in excess of budgeted amount are a violation of Michigan law. A comparison of actual results of operations to the budget can be found in the supplemental information.

III. DETAILED NOTES

A. DEPOSITS

Deposits are recorded at cost. The carrying amounts are included on the balance sheet as "cash and cash equivalents".

Custodial Credit Risk - Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The government does not have a deposit policy for custodial credit risk. As of June 30, 2005, \$316,648 of the government's bank balance of \$516,648 was exposed to custodial credit risk as follows:

	<u>INSURED (FDIC)</u>	<u>UNINSURED AND UNCOLLATERALIZED</u>	<u>CARRYING AMOUNT</u>	<u>BANK BALANCE MARKET VALUE</u>
Demand deposits	\$200,000	\$316,648	\$513,763	\$516,648

B. CAPITAL ASSETS

A summary of changes in capital assets for the year ended June 30, 2005 follows:

	<u>BEGINNING BALANCE</u>	<u>ADDITIONS</u>	<u>DELETIONS</u>	<u>ENDING BALANCE</u>
CAPITAL ASSETS BEING DEPRECIATED:				
Buildings and improvements	\$137,152	\$ -	\$ -	\$137,152
Furniture and equipment	17,610	5,568	-	23,178
Library books and material	148,284	17,281	-	165,565
	\$303,046	\$ 22,849	\$ -	\$325,895
Accumulated depreciation	(118,530)	(25,042)	-	(143,572)
Net Book Value	<u>\$184,516</u>	<u>(\$ 2,193)</u>	<u>\$ -</u>	<u>\$182,323</u>

(Continued)

LENOX TOWNSHIP LIBRARY
New Haven, Michigan
NOTES TO FINANCIAL STATEMENTS, CONTINUED
June 30, 2005

IV. RISK MANAGEMENT

The Library is exposed to various risks of loss related to property loss, torts, errors and omissions, employee injuries, as well as medical and workers' compensation benefits provided to employees. The Library has purchased commercial insurance to cover potential claims.

Settled claims relating to the commercial insurance have not exceeded the amount of insurance coverage in any of the past three fiscal years.

V. DEFERRED COMPENSATION PLAN

The Library has adopted a deferred compensation plan created in accordance with Internal Revenue Code, Section 457. The plan permits employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or financial hardship.

The assets of the plan are held in trust as described in IRC Section 457(g) for the exclusive benefit of the participants (employees) and their beneficiaries and may not be diverted to any other use. In accordance with the provisions of GASB Statement 32, plan balances and activities are not reflected in the Library's financial statements.

Re: Supplemental System and Internal Control
Comments and Recommendations in
conjunction with audit for the year ended
June 30, 2005

Honorable Members:

In planning and performing our audit of the financial statements of Lenox Township Library for the year ended June 30, 2005, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure. The following items are presented that could affect Lenox Township Library's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Internal control comments are made encompassing the concept that the cost of any internal control system should not be greater than the benefits obtained. The accomplishment of recommendations that are of a legal compliance versus internal control nature are not covered by the same cost concept, but are governed solely by legal requirements.

The Library was formed under P.A. 164 of 1877. It remains a fund of Lenox Township even though the Library has an independent Board. The Library and the Township have properly adopted a system for the receipt and expenditure of Library funds through the Township Treasurer's Office.

BUDGETING

P.A. 621, The Uniform Budgeting and Accounting Act, requires all budget adjustments be made prior to the fiscal year end. The Library should review the budget throughout the year and make adjustments accordingly. The Library has timely made all budget adjustments prior to the end of the fiscal year as required. The Library should continue this practice in future years.

CASH MANAGEMENT AND INVESTMENT POLICY

The Library continues to have bank balances in excess of the amounts covered by federal depository insurance. The Library may be assuming unnecessary risk by maintaining an account that is larger than the amount insured. The Library has mitigated this risk by using an additional bank to increase the amount of funds that are insured. The Library should minimize custodial risk by using additional banks so that funds will be fully insured and safeguarded against loss. In addition, the Library has an investment policy in place outlining the investment program's objectives and delegated authority on the types of investments that may be made. Although, the Library has successfully activated the investment program, there is still a considerable amount of cash maintained in bank accounts. The Library should consider amending the investment policy to increase responsiveness so that the Library can monitor and optimize their investment activities pursuant to the policy.

DISPOSAL OF ASSETS

On July 1, 2003, the Library implemented the provisions of GASB 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments. One of the requirements of GASB 34 is the reporting of capital assets. Pursuant to the implementation of GASB 34, the Library has adopted an effective capital asset policy. However, in order to properly reflect the correct book value of capital assets, the Library must have a procedure in place to record the disposal of assets, especially books and non-print material. The procedure should provide a means of reporting original acquisition date and cost of items previously capitalized and disposed of during the year. The Library may contact us for assistance in developing this procedure.

DONATED ITEMS

In addition, it is common operating procedure for the Library to accept donations of various items, primarily books and non-print material. The Library should implement a procedure in which the value of these donated items may be properly reported in the financial statements.

This report is intended solely for the information and use of the Board of Trustees, management, and others within the administration of the Lenox Township Library. This restriction is not intended to limit distribution of this report which, upon acceptance by the Board of Trustees, is a matter of public record.

We appreciate the cooperation of the Library staff and trustees during our audit.

Respectfully submitted,

BUSS & COMPANY, P.C.
